# *President's Message*

Dear Friends of Par-Troy West,

The Board of Directors and I would like to welcome you to the Par-Troy West Little League (PTWLL) Baseball and Softball 2024 Season. This season marks the 71st year that Par-Troy West has had the privilege of serving the children of Parsippany.

Through the 300+ children in our programs combined in both baseball and softball. The Board of Directors continues to work hard and put in many volunteer hours to make sure that your child's experience will be fun filled and enjoyable.

I want to thank all our Board members, volunteers, sponsors and friends, who give their time and support to help make our program run. Without them, we could not operate. It's because of everyone's combined efforts that the Par-Troy West program is such a great success. That is why I and other Board members urge you to please help out and volunteer in any capacity you can. The success of a Little League program depends on the amount of dedicated volunteers we can get to assist.

We would also like to thank the Township of Parsippany, The Parsippany Recreation Department and The Board of Education, for the opportunity to use the ball fields in town and at the schools during the season. Their support helps ensure that all Little Leaguers have a place to play.

This coming season should prove to be another exciting one and we look forward to all the children having fun and hope to see you all out there!

Sincerely,

*Frank A. Neglia*

**President  
Par-Troy West Little League**

## ***Our Commitment to Safety***

Par-Troy West is committed to providing the safest possible environment for all of our members. The safety of our members and guests continues to be one of our greatest concerns. No organization can truthfully promise an entirely safe environment, especially a youth sports program. Par-Troy West has been a leader, not only in Parsippany Sports programs, but also throughout the Little League District, in implementing responsible Safety Policies. Here are some of the safety policies we have implemented.

- ❑ League Volunteer Checking plan submitted to LL District 1 Administrator.
- ❑ All PTW Volunteers are required to sign a Volunteer Agreement that includes among its contents authorization to perform a criminal background check.
- ❑ League Safety Manual: An extensive PTW-developed publication covering all types of Little League activities. Submitted annually to Little League Inc. for qualified safety program approval.
- ❑ Annual audit of facilities submitted with Little League National Facilities Survey.
- ❑ All PTW Managers and Coaches are required to:
  - ✓ Attend a coach's certification, provide proof of certification and be re-certified every three years.
  - ✓ At least one coach from each team must receive sports-specific First Aid training every year.
  - ✓ Sign a Coaching Contract that outlines the league expectations.
  - ✓ Receive, read, support and uphold the PTW League Safety Plan.
  - ✓ Inspect and remove any damaged or unsafe league equipment.
- ❑ All teams are supplied with First Aid Kits, Medical Release forms and Injury Report forms.
- ❑ Upgraded league equipment with an aggressive replacement plan.
- ❑ Safety bases are used wherever practical.
- ❑ Hi-Visibility Fence Edge Protector installed on fields where possible.
- ❑ Helmet Chin straps are required for Farm and Minor League Baseball and Softball.
- ❑ Helmets with Face Shields are available to teams by request.
- ❑ Use of lighting and Severe Storm Warning Device.
- ❑ Safety Improvements at the refreshment stand.
- ❑ Little League Insurance Program Coverage (described below).

## ***What Parents Should Know About Little League Insurance***

**Warning:** *Protective equipment cannot prevent all injuries a player might receive while participating in Baseball/Softball.*

The Little League Insurance program is designed to afford protection to all participants at the most economical cost to the local league. It can be used to supplement other insurance carried under a family policy or provided by parent's employer. If there is no coverage, Little League insurance, which is purchased by the league, not the parent, takes over and provides benefits for all covered injury treatment costs up to the maximum stated benefits.

This plan makes it possible for Little League to offer unmatched, low-cost protection with assurance to parents that adequate coverage is in force at all times during the season. If your child sustains a covered injury while taking part in Little League Baseball or Softball, here is how the insurance works:

- ❑ File a claim, initially under insurance carried by the family: Blue Cross/Blue Shield or any other insurance protection available.
- ❑ Should your family insurance plan not fully cover the injury treatment, the Little League Insurance Policy will help pay the difference up to the maximum stated benefits for all covered injury treatment cost up to the maximum benefits of the policy.
- ❑ Treatment of dental injuries can extend beyond the normal 52-week period if dental work must be delayed due to physiological changes of a growing child. Benefits will pay at time treatment is given, even though it may be some years later. Maximum dollar benefit is \$500 for eligible deferred dental treatment after the normal 52-week period.

We hope this brief summary has been helpful in better understanding of an important aspect of the operation of the Little League Insurance program.

# *Frequently Asked Questions About Your Little League*

## **1. How is it determined, the level or division in which my child is playing?**

While registering, you select a preference of either Softball or Baseball. In addition, the league's Player Agent uses several criteria to place your child in the appropriate division/team.

- a. League Age: The age that a child will be, as of April 30<sup>th</sup> of the current year for baseball and December 31<sup>st</sup> of the prior year for softball. League age is used to determine the available options for placement. Leagues are divided by player age, not school grade.
- b. Tryouts: Used to help place players at the appropriate skill levels, in addition to helping achieve parity between the teams in a division. Tryouts are not used as criteria until the child becomes League Age of 9 years old.
- c. School: Criteria used at the lower levels of play, Tee Ball and Farm Leagues. The Player Agent will try to place children together on teams grouped by the school that they attend, whenever possible. It is important to register early and specify the school to which your child attends.
- d. Drafting: Players of League Age eligible for play Softball & Baseball in the Minors, Majors, & Juniors divisions will try out and be drafted by team Managers into teams before the season.

## **2. Does the Township of Parsippany help out with the Little League Complex field maintenance?**

Surprisingly, No. The Township of Parsippany and the Parsippany Board of Education both provide permits to use some township fields, which our teams play on. The Complex is owned and completely supported and maintained by the members of PTW Little League. Many hours of volunteer labor go into grooming the fields at the Complex, which are two of the finest in the District. The expenses for maintaining the important building and grounds are raised mainly through refreshment stand proceeds and fund-raising.

## **3. Where does all our registration money go?**

All PTW Little League members are encouraged to get involved with the league to have a say in how league funds are budgeted. The Board of Directors meets regularly and the dates of these meetings are posted in the local paper. If you are interested in becoming more involved, please call any of our Executive Board members to find out how. The League is a non-profit organization, chartered by Little League Baseball Inc. Funds raised are put back into the league programs in various ways; equipment, uniforms, maintenance, administration, mailings, rentals, insurances, special events, charter dues, sponsorships, lighting, capital improvements, certifications, safety improvements, Umpires (yes, they are paid), tournament team fees, District support, to name a few. Directors are volunteers and are not compensated for their services.

## **4. Why does Little League have so many rules?**

Admittedly, Little League has many rules. For some, the value is not easily seen. But, remember that Little League is a worldwide organization. As members, we are expected to support the rules and values of the National Little League Organization. The rules and some local rules, though at times appearing petty, are essential to maintaining the standards and image of Little League in our area and abroad. Little League is a respected model for many other organizations and its continued integrity is due to, in great part, the loyalty, conformance and passion of its members.

# *The Little League Pledge*

*I trust in God  
I love my country  
And will respect its laws  
I will play fair  
And strive to win  
But win or lose  
I will always do my best*

## **Supportive Parents:**

1. Decrease the pressure to win.
2. Believe that the sport's primary value is the opportunity for self development.
3. Understand the risks of the sport.
4. Communicate their true concerns with the coach.
5. Understand and respect the differences between parental roles and coaching roles.
6. Control negative emotions and think positively.
7. Avoid use of fear.
8. Avoid criticism.
9. Recognize and understand the expression of insecurity.
10. Avoid the use of guilt.
11. Show empathy for the young player.
